Call for Papers

Conference Date: December 6, 2008

TELearn 2008 provides a forum for the researchers who study technology enhanced learning to publish their research results and to exchange their experiences in conducting relevant projects. A selection of the best papers will be published in Innovations in Education and Teaching International (SSCI journal).

Topics of the conference
- Systems and platforms for e-learning
- Theoretical foundations for e-learning
- Emerging tools and technologies for e-learning
- Development and applications of digital content for e-learning
- Trends in content/courseware development
- Discipline-based cases for e-learning
- Accessible e-learning approaches

Paper submissions
- Maximum length: 8 pages, A4 size
- Language: English
- Online submission via email to telearn2008@gmail.com

Important Dates
- Submission Deadline: August 31, 2008
- Author Notification: October 1, 2008
- Final Submission: November 1, 2008
- Conference Date: December 6, 2008

Hosting Organizations
- National Taiwan University of Science and Technology, Taiwan
- National Science Council
- Taiwan e-Learning & Digital Archives Program Office

Keynote Speakers
  – Prof. Philip Barker and Prof. Gwo-Dong Chen.

Steering Committee
  • Honorary Conference Chair:
    – Shing-Tsaan Huang, National Central University, Taiwan
    – Der-Tsai Lee, Department of Computer Science, Academic Sinica, Taiwan
  • General Chair:
    – Chin-Chung Tsai, National Taiwan University of Science and Technology, Taiwan
    – Kuo-En Chang, National Taiwan Normal University, Taiwan
  • Program Co-chairs:
    – Gwo-Jen Hwang, National University of Tainan, Taiwan
    – Nian-Shing Chen, National Sun Yat-Sen University, Taiwan

Program Committee
  – Philip Barker, University of Teesside, UK
  – Mitsuru Ikeda, Advanced Institute of Science and Tech., Japan
  – Richard Joiner, University of Bath, UK
  – Kinshuk, Athabasca University, Canada
  – Toshio Okamoto, The University of Electro-Communications, Japan
  – J. Michael Spector, Florida State University, USA
  – Mike Sharples, University of Nottingham, UK
  – Tzu-Chien Liu, National Central University, Taiwan
  – Ching-Chiu Chao, Tamkang University, Taiwan
  – Timothy K. Shih, Tamkang University, Taiwan
  – Chien K. Shih, Tamkang University, Taiwan
  – Shian-Shyong Tseng, National Chiao Tung University, Taiwan
  – Pao-Ta Yu, National Chung Cheng University, Taiwan
  – Tak-Wai Chan, National Central University, Taiwan
  – Hwang Wu-Yuin, Graduate School of Network Learning Technology, National Central University
  – Stephen J.H. Yang, Associate Dean of Academic Affairs, Professor of Computer Science and Information Engineering, National Central University, Taiwan
  – Ming-Puu Chen, Professor of Graduate Institute of Information & Computer Education, National Taiwan Normal University
  – Chun-Yen Chang, National Taiwan Normal University
  – Sunny SJ Lin, National Chiao Tung University
  – Jei-Che Yang, National Central University
  – Jin Tan David Yang, Southern Taiwan University of Technology, Taiwan
  – Yueh-Min Huang, National Cheng Kung University, Taiwan
